

## Access to Circuit

- All gates will be open to the public from 8:00
- Accredited teams can access **Support Paddock 2** or **gates 1,2,4,7,11** from 6:00 each day.

## Bump In

- *Please note, the circuit will be closed to all traffic on Wednesday, 22<sup>nd</sup> November [between 8:30 – 13:15](#) due to the promotional track day.*
- All transporters will be allowed to access the paddock from **Tuesday, 21<sup>st</sup> November** from 7:00 – 18:30 or from **Wednesday, 22<sup>nd</sup> November** from 9:00 – 20:00
- Please let me know in advance when your transporter is anticipated to arrive.

## Bump Out

- Due to the high volume of public throughout the paddock, transporters won't be allowed to move until the **bump-out window on Sunday, 26<sup>th</sup> November between 14:30 – 16:30**. Bump-out can then resume at 18:00 after the Supercars race.
- Exit point will be the same as entry point.

## Driver Briefing

- [Thursday, 23<sup>rd</sup> November at 7:30am in S5000 paddock \(will be confirmed in the Further Regulations\)](#)

## Event Accreditation

- 10 x accreditation passes per category for administration.
- 7 x event passes per entrant.
- 1 x car park pass per entrant – for Car Park A with access via East Terrace.
- No vehicles are allowed in the race paddock which an event tender vehicle pass.

## Fire Extinguishers

- Each competitor is required to have a (minimum) 4.5kg dry powder fire extinguisher per car, clearly labelled with the corresponding race car number and easily accessible at the front of the garage bay during the event.  
NOTE: All fire extinguishers must comply with Australian Standard 1851.

## Induction

- [Each team manager must complete the provided “race team induction” \(available on the S5000 Team Page\) and return to me preferably prior to the event.](#)

## Paddock Location

- **Feature Race Paddock 2 (Fullarton Road) same as 2022 with Dunlop Series**
- Entrance for transporters is through the Support Paddock #2 gate off Fullarton Road – a map will be provided.
- I have sent Liam a list of S5000 transporters based on previous events – if this is likely to change, please keep me informed.

## Racetrack Walk

- Teams are permitted to walk the circuit on **Wednesday, 22<sup>nd</sup> November between 14:15 – 17:15**

### Schedule

- [V3 is the latest schedule available on the S5000 team page](#)

### Tender Vehicles

- S5000 teams are not permitted to use tender vehicles. Only pushable trolleys which will be given access to the Pit Lane prior to our sessions via the marshalling gate at Turn 14.

### Other Information

- EventElec are doing a power quote for each category – however, I do recall teams have their own lighting.
- Marquee bays will be 8m x 3m.
